

## About Us

'Resonance Racing' is an Off-road Motorsports Division of A.I.S.S.M.S College of Engineering. Resonance Racing is a student-led organization that builds its own ATV (All-Terrain Vehicle) that competes at the SAE BAJA competition. We at Resonance Racing BAJA conceptualize, design, analyze, fabricate, validate and run an all-terrain vehicle. This is evaluated during a series of Static, Dynamic and Endurance events. BY EMPHASIZING RIGOROUS ENGINEERING, TECHNICAL EXPERTISE, AND EFFECTIVE MANAGEMENT, RESONANCE RACING MOTORSPORTS EMPOWERS STUDENTS TO BECOME ENGINEERING LEADERS.
